## **What does the Catechism say about...?**

### **“You Shall Love Your Neighbor as Yourself: The Seventh Commandment: You Shall not Steal:**

#### **503. What is set forth by the seventh commandment?**

The seventh commandment requires respect for the universal destination and distribution of goods and the private ownership of them, as well as respect for persons, their property, and the integrity of creation. The Church also finds in this Commandment the basis for her social doctrine which involves the correct way of acting in economic, social and political life, the right and the duty of human labor, justice and solidarity among nations, and love for the poor.

#### **504. Under what conditions does the right to private property exist?**

The right to private property exists provided the property is acquired or received in a just way and that the universal destination of goods for the satisfaction of the basic needs of all takes precedence.

#### **505. What is the purpose of private property?**

The purpose of private property is to guarantee the freedom and dignity of individual persons by helping them to meet the basic needs of those in their charge and also of others who are in need.

#### **506. What does the seventh commandment require?**

The seventh commandment requires respect for the goods of others through the practice of justice and charity, temperance and solidarity. In particular it requires respect for promises made and contracts agreed to, reparation for injustice committed and restitution of stolen goods, and respect for the integrity of creation by the prudent and moderate use of the mineral, vegetable, and animal resources of the universe with special attention to those species which are in danger of extinction.

#### **507. What attitude should people have toward animals?**

People must treat animals with kindness as creatures of God and avoid both excessive love for them and an indiscriminate use of them especially by scientific experiments that go beyond reasonable limits and entail needless suffering for the animals.”

Summary of paragraphs 2401-2407, 2416-2418 and 2450-2451 of the *Catechism* as found in the *Compendium of the Catechism of the Catholic Church*.
