Prayer to God the Father

Almighty ever-living God, whose will is to restore all things in your beloved Son, the King of the universe. You anointed your Only Begotten Son, our Lord Jesus Christ, with the oil of gladness as eternal Priest and King of all creation, so that, by offering himself on the altar of the Cross as a spotless sacrifice to bring us peace, he might accomplish the mysteries of human redemption and, making all created things subject to his rule, he might present to the immensity of your majesty an eternal and universal kingdom, a kingdom of truth and life, a kingdom of holiness and grace, a kingdom of justice, love and peace. Grant, we pray, that the whole creation, set free from slavery, may render your majesty service and ceaselessly proclaim your praise. Amen.

What does the *Catechism* say about...?

“You Shall Love Your Neighbor as Yourself: The Seventh Commandment: You Shall not Steal:

513. What is the meaning of work?

Work is both a duty and a right through which human beings collaborate with God the Creator. Indeed, by working with commitment and competence we fulfil the potential inscribed in our nature, honor the Creator's gifts and the talents received from him, provide for ourselves and for our families, and serve the human community. Furthermore, by the grace of God, work can be a means of sanctification and collaboration with Christ for the salvation of others.

514. To what type of work does every person have a right?

Access to secure and honest employment must be open to all without unjust discrimination and with respect for free economic initiative and fair compensation.

515. What responsibility does the State have in regard to labor?

It is the role of the State to guarantee individual freedom and private property, as well as a stable currency and efficient public services. It is also the State's responsibility to oversee and direct the exercise of human rights in the economic sector. According to circumstances, society must help citizens to find work.

516. What is the task of business management?

Business managers are responsible for the economic and ecological effects of their operations. They must consider the good of persons and not only the increase of profits, even though profits are necessary to assure investments, the future of the business, employment, and the good progress of economic life.

517. What are the duties of workers?

They must carry out their work in a conscientious way with competence and dedication, seeking to resolve any controversies with dialogue. Recourse to a non-violent strike is morally legitimate when it appears to be the necessary way to obtain a proportionate benefit and it takes into account the common good.”

Summary of paragraphs 2426-2429, 2431-2435 and 2460-2461 of the *Catechism* as found in the *Compendium of the Catechism of the Catholic Church*.
