What does the Catechism say about...?

534. What is prayer?

Prayer is the raising of one's mind and heart to God, or the petition of good things from him in accord with his will. It is always the gift of God who comes to encounter man. Christian prayer is the personal and living relationship of the children of God with their Father who is infinitely good, with his Son Jesus Christ, and with the Holy Spirit who dwells in their hearts.

535. Why is there a universal call to prayer?

Because through creation God first calls every being from nothingness. Even after the Fall man continues to be capable of recognizing his Creator and retains a desire for the One who has called him into existence. All religions, and the whole history of salvation in particular, bear witness to this human desire for God. It is God first of all, however, who ceaselessly draws every person to the mysterious encounter known as prayer.

536. How is Abraham a model of prayer?

Abraham is a model of prayer because he walked in the presence of God, heard and obeyed him. His prayer was a battle of faith because he continued to believe in the fidelity of God even in times of trial. Besides, after having received in his own tent the visit of the Lord who confided his plan to him, Abraham dared to intercede for sinners with bold confidence.
