What does the Catechism say about...?

“538. In the Old Testament, what relationship do the king and the temple have to prayer?”

The prayer of the People of God developed in the shadow of the dwelling place of God—the Ark of the Covenant, then the Temple—under the guidance of their shepherds. Among them there was David, the King ‘after God’s own heart,’ the shepherd who prayed for his people. His prayer was a model for the prayer of the people because it involved clinging to the divine promise and a trust filled with love for the One who is the King and Lord.”

Summary of paragraphs 2578-2580 and 2594 of the *Catechism* as found in the *Compendium of the Catechism of the Catholic Church*.
