Dear Friends,

Immaculata High School is committed to the development of the whole person within the framework of Catholic traditions and values. Guided by the pillars of Faith, Scholarship, Service, and Friendship, Immaculata integrates a challenging academic curriculum that promotes spiritual, intellectual, physical, emotional, and social growth while fostering moral responsibility to self and others. Immaculata High School students come from 7 counties, 47 parishes and more than 60 municipalities throughout central New Jersey.

Our Mary, Mother of God Church Rosary Altar Society Scholarship hopes to affirm those strong moral values, provide a strong religious foundation for our youth, and extend our church community for the benefit of others. Although Catholic schools strive to provide a relatively affordable form of private education, we are aware that tuition is an added expense that may be difficult for some families to assume.

The Mary, Mother of God Church Rosary Altar Society Scholarship is available to lift a portion of the financial burden of providing a Catholic education at Immaculata High School. Families who have demonstrated financial need are eligible to apply for this scholarship. Immaculata High School uses the FACTS grant and aid acceptance system to evaluate all assistance applications. Applicants are to complete the FACTS application online at <https://online.factsmgmt.com/aid>. The scholarship will provide \$1,000 in tuition for one year and will require reapplication each year.

Students interested in being considered for scholarship are NOT required to be parishioners of Mary, Mother of God Church. All applicants must include a short essay (500 words or less) which answers the following question:

Why do you want to go to a Catholic high school and how do you plan on growing and developing your faith through Word and Sacrament?

Please email your essay along with your full name, address, phone number, email, parish, and your current school to Susan Beardsley at sbeardsley@immaculatathighschool.org. There will be 2 \$1,000 awards provided this year. **Applications must be received before March 30, 2021.**

Sincerely,

Philomena Cellilli, Scholarship Coordinator
