

## PASTOR'S COLUMN

This weekend, we welcome Fr. John Mathew Vadakkettom, CFIC to our weekend Masses. Fr. John Mathew is a member of the Congregation of the Sons of the Immaculate Conception. He is currently serving at Mt. Carmel Hospitals and lives at St. Elizabeth Church in Columbus.

His religious community is dedicated to the care of the poor and sick. This weekend, he will be giving the annual diocesan Mission Appeal. Please be generous and thank you in advance for your support of the worldwide and local Church.

Speaking of missionaries, if all went well, I and the missionaries to Miryante Orphanage should be in Uganda when you read this. Please keep us and the orphanage in your prayers. Also, in the next couple of weekends, we will be having teens who went on the Mexican Mission share some of their experiences at the end of the Masses. They had a very blessed and fruitful mission.

In Christ,  
Fr. Hahn

Altar Flowers have been donated in honor of  
Jesus in the Holy Eucharist.

**Attention, youth in Grades 3-12 who have made their First Holy Communion.** There will be Altar Server Training for those interested in being an Altar Server or current Servers who would like a "refresher." Two training dates have been scheduled. The first is Saturday, August 13, at 10:00 a.m., and the other is Saturday, August 20. You need only to attend one of the trainings. The training is open to girls and boys. Boys are especially encouraged to be altar servers as it has traditionally been an outlet that God has used to call young men to the priesthood. For additional information or to RSVP, contact Bob French (740-774-4172) or Deacon Reed Hauser (740-775-1835).

**\*\*\* Note Regarding Budgeted Offertory Amount: This is the corrected budget number for weekly expenses. This represents a modest \$275.00/week increase from last year. This number includes an increase of depreciation expense of \$17,000.00 to begin saving in relation to the parish center improvements. It also represents a return of the cost of parish center utilities to our budget – formerly due to the rental nature of the parish center the utilities were paid directly from the rental account (this includes the revenues from our rental properties that border the church property). These utilities now show up in our expenses as does the rental income now show up in our income. This increases the budgeted expenses. A reminder that what the bulletin compares is budgeted expenses to actual offertory. The church also receives some revenue through the rental income and gifts, etc. However, it is our goal for a healthy parish life, to pay all expenses from offertory – which is what will always be compared in this stewardship box of the bulletin.**
