Some quiet-time before Mass.... Those few minutes before Mass are very precious moments. Allowing time for silent prayer is a clear indication that we primarily come to Mass to both hear God’s voice and for Him to hear us. At the same time, a vibrant parish is also one in which fellowship and community is encouraged. This can be done in a variety of ways: from social gatherings in the parish hall or even simply catching up with friends and family before or after Mass in the vestibule.

The church roof is at the end of its life. It has had numerous repairs. The most economic solution seems to replace the entire roof. Thank you for your generosity to date in the Generation of Hope Campaign, which has returned approximately \$35,000 in gifts to the parish, all designated for the new roof. At present meetings are underway with the contractor, to finalize the design, and with the parish finance council, to determine how best to meet the expenses.

"The weekend of August 30 will be the fifth Sunday of the month and there will be a second collection during the mass to benefit our St Vincent DePaul Society as this ministry continues to help our local friends in need. The requests for help seem to be getting more numerous so your help will be greatly appreciated. If you are looking for a ministry that actively engages in helping our local community, please consider joining our Society. Thank you and may God Bless.
