**Some quiet-time before Mass**.... Those few minutes before Mass are very precious moments. Allowing time for silent prayer is a clear indication that we primarily come to Mass to both hear God's voice and for Him to hear us. At the same time, a vibrant parish is also one in which fellowship and community is encouraged. This can be done in a variety of ways: from social gatherings in the parish hall or even simply catching up with friends and family before or after Mass in the vestibule.

**The church roof** is at the end of its life. It has had numerous repairs. The most economic solution seems to replace the entire roof. Thank you for your generosity to date in the Generation of Hope Campaign, which has returned approximately \$35,000 in gifts to the parish, all designated for the new roof. At present meetings are underway with the contractor, to finalize the design, and with the parish finance council, to determine how best to meet the expenses.

### **Holy Land Collection**

We will take a second collection this weekend of Sept 5/6 for the Holy Land. We usually take up that collection on Good Friday, but due to covid we were not able.
