

## **First Reconciliation**

Preparing to celebrate the Sacrament of Reconciliation (also known as Penance) is a time for focus on God's mercy, how we forgive among our family, friends, and community, and how we celebrate forgiveness. Children of the parish who are in second grade or up are invited to begin the formal preparation to celebrate the Sacrament of Reconciliation. In order to register for this preparation, the child should meet the guidelines listed below.

Preparation for Reconciliation is set up for parents and children to prepare mostly at home since it is the home where each child's faith is most cultivated. The materials the parish provides will guide families through familiar Bible stories, offer discussion points, and suggest activities for you and your child while on this journey. In order to support parents during this time, the parish offers two meetings for both parents and children.

Of vital importance to a child's preparation is the family's participation at Mass on a weekly basis. The Mass is a revelation and the greatest expression of the Catholic faith. It is here that the preparation for this Sacrament comes alive. It is where as a community we offer as a sacrifice our successes and failures and where God accepts them with great joy guiding us to a deeper relationship with Him.

### **Guidelines to start preparation:**

- Child must be in second grade or up.
- Child should have regularly attended Religious Education classes the year prior to preparation and be attending regularly the year they prepare for this sacrament.
- If a child was not baptized or baptized in another faith tradition, parent must contact the Parish office before the start of preparation.

# First Eucharist

Preparing to receive Jesus through the Sacrament of the Eucharist for the first time is an exciting time. It is a time for focus on Jesus, faith, and family. Children of the parish who are in second grade and up are invited to begin the formal preparation to receive their First Eucharist. In order to register for First Eucharist, the child should meet the guidelines listed below.

Preparation for Eucharist is set up similarly to that of our preparation for Reconciliation. Parents and children prepare mostly at home since it is the home where each child's faith is most cultivated. The materials the parish provides will guide families through familiar bible stories, offer discussion points, and suggest activities for you and your child while on this journey. In order to support parents during this time, the parish offers two meetings for both parents and children.
