Celebrating Catholic Schools Week is Jan. 31st - Feb. 6th

A detailed agenda for this special week is yet to be determined and will be communicated to families via school emails and Friday Folders.

As typical we will be celebrating our Catholic faith, our school staff, students and families. In addition, we want to recognize our community volunteers and donors as well as the religious vocations associated with our parish.

At the time of this writing the annual Chili/Soup Supper is scheduled for February 6th following the 5:30 Mass.
