WOW.....We made it!!! We are so blessed to have been with our students in person all year long. We are looking so forward to not wearing masks next year, welcoming parents back to Mass as well as our special school events and concerts, celebrating with our prayer partners and so much more. Thanks to all our STA families and supporters for a great year.

As indicated above May is a very busy month at STA. Most if not all of the events above will be shared with parents in more detail via emails and reminder texts.

2021/2022 Registration – 1<sup>st</sup> -6<sup>th</sup> grade students should be returning the tuition contracts for the 21/22 school year. This information was sent last week via Friday Folders. In addition, please notify us if you are moving or not returning, so we can better plan for our staffing and material needs.

Student Masses will be live streamed the remainder of the year. Students should make you aware of which Wednesday his/her grade level will be the leading the Mass.

Congrats to our 2<sup>nd</sup> graders on celebrating their First Holy Communion!!!
