Please excuse our mess as we are still in the midst of our awesome remodeling projects.

Welcome Mrs. Melissa Burns

A warm welcome to Melissa Burns, our new 4-6 grade Reading/Language Arts and Social Studies Teacher. The following is a brief overview of her background and experience:

Hi, my name is Melissa Burns. My family is my everything. Jed and I have been married for 6 years. Together we have 4 wonderful children: Bereket (18), Ali (14), Nathaniel (3) and Andersen (3 months). When I'm not spoiling my kids I'm hanging out with my mini Schnauzer! As for my hobbies I love reading, baking, and of course anything to do with children. I love spending time camping, boating, and playing board games with my family.

I grew up on a farm outside a little town called Lovell, Wyoming. Through that experience I learned to work hard, never give up, and to finish what you start! I'm a little obsessed with Pinterest ranging from recipe pins to different classroom idea pins.

I've wanted to be a teacher for as long as I can remember. I graduated with my AA in Elementary Education from Northwest Community College and my Bachelors in Elementary Education from Valley City State University. I substituted for about 5 years in Wyoming before moving to Iowa. I have been teaching kindergarten for the last 2 years, but I'm beyond excited to

MORE SCHOOL NEWS

School Project

Largely in part to the successful Capital Campaign last fall, STA School will be making some major improvements to our building. The picture to the left will be a new main entrance (on Water Street) with a vestibule and an updated security system.

Thus, there will be a newly established drop off/pick up loop on Water Street as well.

We will keep everyone informed of the progress of these projects as it may impact the first day of school (August 25) regarding drop-off/pick procedures.

2021/2022 School Motto

#We Are Called

The 2nd grade room has been redesigned to house the main office including a reception area, principal's office, teachers' workroom/lounge and staff restroom. Visitors will need to enter the office before going through the building or classrooms.

We ask for your prayers for all those involved in making this dream become a reality for STA students and staff. There will likely be more projects throughout the year as well.
