

2020-2021 Enrollment Incentives

1. Enrollment fees will be 100% waived if families are registered through FACTS and have applied for Tuition Assistance via FACTS on or before NOON on June 26 (this the deadline for ROUND 2 of FACTS assistance and to be eligible for the new \$250,000 donor assistance money for Cluster 2).
2. Our Lady of Fatima is guaranteeing that no family will pay MORE than they did last year, and with the new tuition assistance donor and our in-house Falcon Funds, some families may even pay less.
3. Hardship Discounts: Our Lady of Fatima will be working with individual families on a case-by-case basis to offer a COVID-19 hardship, one-time discount, if documentation can be shown with their Falcon Fund application that a hardship occurred because of COVID-19. This includes a furlough or unemployment letter, small business reductions, etc.
4. Sibling discounts still apply!

Remember to be eligible for any and all incentives, families MUST be registered by June 26 through FACTS and must have applied for Archdiocesan tuition assistance via FACTS as well!
