Sunshine & Rainbows, ELC (formerly Rainbow Days) needs your help, now more than ever!

At a time when the day-to-day can look so different, our 35 year old preschool program continues to be a safe and loving environment for local families and the surrounding communities. As you may know, we offer small child-to-teacher ratios and an amazing curriculum! Our program also includes Spanish, Music, and STEAM classes.

During these uncertain times and even tougher financial ones, our devoted teachers and staff have done everything possible to ensure the program continues to enrich the lives of children in our area for many years to come.

As a non-profit organization, the much smaller student enrollment due to the COVID pandemic has greatly impacted us financially.

Additionally, this year, in order to ensure the health and safety of our preschool families and extended community, we have been unable to participate in most of our annual fundraisers. Today, we humbly ask you, our Sunshine and Rainbows ELC alumni members, along with the parish community for assistance. Through the years, the program has impacted the lives of thousands of children who have gone on to bless our community in countless ways. With your help, we will continue to make a difference in the lives of many more children.
