Message from Bishop Gregory

Dear Beloved Women of the Eparchy,

Now, more than ever, our world needs authentic women’s health and fertility care that are consistent with Church teaching. The primary way towards this is through continuing education for women, couples and medical professionals. The Gianna Creighton Model Education Program Phase One, a modern, scientific and natural approach to family planning, will be held at the Notre Dame Retreat House in Canandaigua, NY in March of 2022 and April of 2022. Phase Two will be in November 2022. I hope you will consider this invitation to learn more of this beautiful and faithful approach to the health and well-being of women. Please also share this with friends, family and coworkers.

Gianna Education Program

Education Phase I A: March 24-27, 2022
Education Phase I B: April 6-9, 2022
Education Phase II: November 7-12, 2022
