Back To School Night

Back to School Night is Wednesday, September 11th. We will start with Middle School parents at 5:00 pm in the gym. After a brief general meeting you will go to your student's homeroom classroom.

At 6:00 pm there will be refreshments served in the Parish Center for all parents (PreK-8). At 6:30 there will be a general meeting for parents in PreK-5. At 7:00 you will go to your student's classroom. If you have more than one student in PreK-5 there will be another classroom session at 7:25.

C.A.S.E.

New this year for **all clergy, staff and volunteers** is C.A.S.E. This will be instead of an online Called to Protect class. This is required for **all volunteers** who work with minors. It is a combination of a video and live training presentation. It should take about 90 minutes. Classes currently scheduled are Tuesday, August 27th at 7:00 pm in the parish center and Monday, September 9th at 7:00 pm in the parish center. More classes will be added.

All volunteers for the school will need to take this class so let grandparents and other know if they volunteer at school. Everyone should be trained this fall. Parents planning on volunteering for field trips in the spring (especially middle school field trips) should plan on taking the class this fall.

If you have any questions contact Gretchen Brown in the School Office.
