CATHOLIC CHURCH AND SCHOOL

## 2020-2021 Tuition Assistance

Your family is an important part of the St. Francis School community, and we look forward to beginning/continuing our partnership with you as we help your students grow spiritually, morally, and academically!

We are committed to growing our St. Francis School tuition assistance program and are further motivated by Archbishop Sample's challenge that **"No Catholic child will be denied the opportunity to receive a Catholic education simply because of cost."** If your concern is financial, please come meet with me.
