GIVING TUESDAY, NOVEMBER 30TH

GivingTuesday was created in 2012 as a simple idea: a day that encourages people to do good. Over the past nine years, this idea has grown into a global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity. You have the opportunity this year to join in the giving and support St. Francis. Watch for more information in the coming weeks. Our students will be making a difference by participating in different community service projects throughout the month. See the flier in this Wolf Post regarding the food drive for our parish Food Bank.

ART LITERACY

We are so excited about the volunteer response for the Art Lit program starting in January. Most of our classes have 2 or more volunteers which is wonderful, but we are still needing at least 1 more volunteer each for grades 4 and 7. No artistic skills required, just an appreciation for art! The time commitment will be 1 hour a month. You will need to complete a background check and attend a Called to Protect Training. Please email Kat Haynes at hansonkat@hotmail.com or Katie Coleman at katiecoleman915@gmail.com with any questions!

RECYCLE PROGRAM ST. FRANCIS!

St. Francis PSO and Student Council are beginning a new fundraising initiative- bottle and can recycling! Bags have been sent home with students.

- Fill the bag with pop cans and bottles that may be redeemed for .10 (Oregon only)
- Donate your filled bag at school and pick up a new bag. We will bring the bags to Bottle Drop as they collect at school. No single bag should weigh more than 20lbs.

No plastic bottles can be accepted that are not redeemable for cash.

All monies generated from this fundraiser will go toward
