ST. FRANCIS FAMILY FEATURES

We are excited to introduce the St. Francis Family Features! We hope you look forward to learning more about the families that make up our community! If you haven't yet, please fill out the survey.

Zaw-Tun Family

Introducing Becky, Naing, Haven and Alec Zaw-Tun. The kids are in 6th and 7th grade. They choose to come to St. Francis for the small class sizes and to have the kids be more challenged in school. They love how supportive the St. Francis community is. As a family, they love Soccer! This includes going to Thorn games and watching both kids play Club Soccer.

From the Zaw-Tun Family, "We are a multinational family. Our children are from Ethiopia, my husband is from Burma (Myanmar) and I'm of Irish descent. We have taught our children to celebrate their culture and embrace their heritage."

Blume Family

Say Hello to Ryan, Van, Alex and Landen Blume. Alex is in 3rd grade and Landen is in Pre-K. The Blume family loves to travel and travel more! Ryan and Van said that they choose to come to St. Francis because of the, "Excellent warmly welcomed communities: well behaved students; good curriculum and effective discipline; Endless efforts to bring kids back to school safely during Covid-19 era; Extended day care is a plus."

Martson Family

Did you know that Alex, Joanna, Jackson and McKenna Martson have a farm where they raise Scottish Highland Cattle? From the Martson's, "Scottish Highland Cattles are long haired, long horned cattle from Scotland." In their free time they also enjoy skiing and, in the summer, playing in water. Jackson and McKenna are in 6th and 8th grade. The family says that they love St. Francis because "The teachers have taken an interest in our kids from day one. As they grow, the teachers help push them along. We love the community feeling around the school."
