## Guillory Family

Warm greetings from the Guillory family! Dominic, Melissa, Kaylee, and Samuel are parishioners at St. Francis Church. They want a Catholic education for their children. Kaylee is a 4th grader. St. Francis has a small-town community feel for the Guillory's, which they love. They cherish the relationships they have built here. Plus, enjoy the walkability of Sherwood. On many weekends they spend their time exploring new trails or parks!

## Maoz Family

Welcome the Maoz family; Mike, Jade, Abby, Gabby, and Jonah! Jonah is in 3rd grade. They chose St. Francis because they wanted an education experience for Jonah that included academic rigor and high expectations of kindness, accountability, and community participation. Since joining the St. Francis community, Jonah feels happy, safe, and proud of his learning. The Maoz's have been amazed, seeing how fast a young child's ambition grows when they are in an enriching environment with high expectations of achievement both academically and socially. They are truly grateful for St. Francis for giving students such appreciation of their true value and capabilities! Swimming and playing sports are a couple of their favorite family activities!

From the Maoz family: "We are a Jewish family and incredibly grateful to be welcomed by the Catholic community so our child can learn in an environment with an emphasis on moral values, hard work, kindness, and citizenship, plus the bonus of learning about the traditions of another religion!"

## Golda Family

The Golda Family includes Matt & Laura and their four kids - Grant, Carter, Ella and Paige. "When we were putting our oldest son, Grant, (who is a 2019 graduate of St. Francis) into Kindergarten, we were drawn to the Catholic education and small class sizes the school had to offer."

They love the uniquely small and friendly St. Francis Community. When they're not at school, the Golda's enjoy taking road trips and spending time together celebrating birthdays with extended family.

This is their 11th year of being at St. Francis School. That's a lot of drop offs and pickup trips - along with all the extra time they've both spent volunteering!
