Sandell Family

Introducing the Sandell Family! Derek, Phets, and Gabrielle appreciate the education and school community. Gabrielle is a 5th grader. The family chose St. Francis because of the smaller classroom size and close friendships. The Sandell family loves to travel, camp, and go for bike rides.

Nanson Family

Lynne and Chris Nanson have 3 girls at the school - Lizzie in 6th grade, Tessa in 5th grade and Natalie in 3rd grade. This busy family loves to spend time outdoors - whether it be to ski, paddle board, kayak or hike.

“We were interested a Catholic education and toured a few catholic schools. When we visited St. Francis, we were introduced to a parent volunteer who was extremely warm and engaging. Her spirit told us a lot about the St. Francis community. We were impressed by the high academic standards and the warmth of the community. Our children are thriving at St. Francis and the community has become family.”

“The community is genuine. It is the type of community where nobody would hesitate to help if you needed childcare or a family was in need of a meal train. Regardless of how busy we all may be, everyone does their part to work toward the betterment of the school. We may be small, but together we are mighty! No matter the event or task, there are a lot of laughs and we have fun together.”

Bid to win a police escort to school at the next St. Francis School Auction to be held in October 2021!

Carter, Ella, and Paige Golda were the winners from this year's auction and were escorted last week!
