Parent Service Organization – PSO is Seeking New Members for the 21/22 school year. The St. Francis Catholic School Parent Service Organization (PSO) is a collection of parents who want to support the school through fundraisers and celebrations. Our goal is to bring to light the great work of the teachers & staff, raise funds to help the school make sure that they are properly equipped with the latest technology and curriculums, and engage all families to create the St. Francis Catholic School family.

There are multiple levels of involvement with PSO. The PSO board is made up of the various roles and leads for multiple events such as President, Vice President, Hospitality Chair, Auction Chair. In addition, we are always on the search for families who would like to help with events such as Auction and Jog-A-Thon but who do not necessarily need to attend the monthly meetings.

Getting involved in any level with PSO **counts** towards your St. Francis Volunteer hours. Please contact Sarah Jordan if you have any questions at sarah_jordan@outlook.com
