Social Apostolate is grateful to Savannah Quarters Country Club for hosting our annual Golf Tournament fundraiser.

**100% of funds raised will go towards services to the poor.**

The Social Apostolate was founded in 1968. Our mission is to “care for and empower the poor, the homeless, the elderly, the disabled and the at-risk, of the Savannah area through the biblical values of charity and justice.”

We achieve our mission every day through our services and programs targeted to the individual needs of our clients – a soup kitchen, food pantry, medical and employment support services, and vital documents, such as birth certificates and state-issued identification cards.

Last year was a difficult year for all. Yet, the Social Apostolate remained opened during the pandemic. We introduced a new mobile unit to bring services directly to underserved neighborhoods, and we established a new communications center that offers mail services, telephone services and a computer lab to the homeless.

We serve four counties, provide over 24,000 services to more than 3,500 homeless and low - income individuals each year. We do this through our small staff of four, our community volunteers and the generosity of companies and people like you.

Your participation as a sponsor or a golfer will make a difference to those in need.

Gratefully,  
Latacia Avila  
Director of the Social Apostolate
