Prayer for Our Nation

Gracious and loving God,
Let your Spirit be with us today. Hear our
prayers, and increase in us the will to
follow your Son Jesus. Help us to draw on
the resources of our faith as we use the
opportunities of our democracy to shape
a society more respectful of life, dignity,
and rights of the human person, especially
the poor and vulnerable. We ask this
through Jesus Christ, your Son, who lives
and reigns with you in the unity of the Holy
Spirit, one God forever and ever. Amen.
