In Thanksgiving for the Gift of Life

Please join us after the 5:00 pm Mass on Saturday, September 14, when Father McClane will bless our new Respect Life plaque in the prayer garden. The Respect Life Committee purchased the plaque as a memorial to the pre-born children lost due to abortion and a reminder to us all that life is a gift from God, to be cherished, valued and protected.

The plaque is inscribed with a beautiful prayer “In Thanksgiving for the Gift of Life”:

Our Catholic faith calls us to honor life at all stages, from conception to natural death. Please pray with us that our leaders will recognize the value of all life and steer us away from a culture of death, be it from abortion, assisted suicide, or capital punishment.
