Re: Children receiving First Eucharist on May 1, 2021 and May 8, 2021

Date: February 24, 2021

There seems to be some confusion about attendance on the above Holy Eucharist Dates. Given the guidelines of the CDC and the Diocese of Trenton, attendance has to be limited to Communicant, Parents and Siblings. The Mass will be live streamed for all other family members who wish to attend.

I know that this is a disappointment for some as it is for me but our priority is to keep everyone as safe as possible. The joy of receiving Jesus and the blessing He brings to our children and families is a happy occasion for all especially that it is so needed at this time of uncertainty. Thank you for your cooperation and understanding. God bless you and your family.

Sincerely in Christ,

Sr. Carolyn
