

THE SERVANT'S PRAYER

Your children come to you, loving God, confident of your goodness and mercy.

Your Son humbled himself to come among us first as a child and then as the Lamb of God.

May the sacrifice of his life and his service among us teach us to live as servants to all.

As stewards of your generous gifts, may we bear witness to your goodness in our lives by the good we do as servants of all your children.

Blessed are you, God of all goodness!

May our service give you glory as we pray now and always through Christ our Lord.

Amen.
