When a unit has more than one delegate, an elected alternate is not associated with any particular delegate. The vacancy that occurs first in point of time is filled by the first elected alternate or the ranking one available, and so on." (Pg. 585)
2. Even though it is unlikely that all alternates would be called upon to serve, we urge that each court elect the total number of alternates to which it is entitled. A local court may elect up to two (2) times the number of delegates to serve as alternates.

- F. Resolutions adopted by the National Board will be published in a timely fashion. Resolutions adopted at a National Convention will be published in the Convention Minutes.
