## **Steps to Establish a Campus Court**

If interested in starting a Campus Court, the first step would be to secure approval from the Campus Minister, Pastoral Life Director, or Advisor who will respond to the request to establish a Catholic Daughter Court.

The interested party would call, write, or email the National Office at 10 West 71st Street, New York, NY 10023, 212-877-3041 or CdofANatl@aol.com. The National Office will contact the National Court Development Chairman and State Regent and will request that an informational packet be sent to the inquirer. The State Regent will appoint a State Officer or State Representative to meet with the Campus Minister and several interested students.

Following this first meeting, the students are asked to survey fellow students to determine if there is enough interest in forming a Campus Court and to distribute informational brochures. A minimum of fifteen (15) students will be necessary for the formation of a court. Interested students, faculty members, or faculty wives will fill out an application form. (See Attachment 1 – Campus Court Membership Application)

A State Officer/Representative will schedule an organizational meeting to address the needs and vision of the group. During this same organizational meeting, leadership interest will be sought for the Court by reviewing the duties and responsibilities of the Court Officers.

A meeting date, time, and place for the institution of the court will be established. Three possible names for the court will be submitted to the National Office who will choose the official name and assign a number to the court.

The State Officer/Representative will inform the National Regent, National Chairman, National Office, and State Regent of the dates for institution. Teams will be assigned by the State Regent to assist in the institution of the court as well as a local court to host the reception following the institution of the court.

### **State Court Responsibilities**

Assign a District Deputy/ State Representative to oversee and supervise the needs of the new court. She will be available to assist and answer any questions or concerns that may arise.

### **Reporting Forms**

Campus Court Reporting Forms are mailed once each semester to the Campus Advisor from the National Chairman. (See Attachment 2 – Campus Court Report) This enables the National Chairman and the National Office to stay current with court activities and service to the community. This will also provide the National Office with a current roster.

Campus Courts are the future of Catholic Daughters of the Americas. It is our hope that when the women leave their college life, they will continue their membership in another court. This may be your court. Please make them feel welcomed. If there is not a court in the area they are moving into, we look forward to helping them establish a court in that area.
