National Officers Visit Headquarters
By National Secretary-Treasurer Connie Dronette

The National Officers met at the National Office in New York City for an Executive Board Meeting at the beginning of December. There was excitement in the air as Christmas decorations were everywhere. There is nothing like Christmas in New York.

The Executive Board drafted the 2022-2023 Budget with help of our CPA, Frank Kinkaid. And of course, the 2022 National Convention in Puerto Rico was a topic of discussion. We hope to see many CDA sisters there. We also visited with representatives from one of our National Projects, the LaBouré Society.

It was a spirit filled week in New York City. National Regent Sherry Nilles, National Regent Elect Emily Guilherme, National First Vice National Regent Susan Moné, Second Vice National Regent Essie Walker, and National Secretary-Treasurer Connie Dronette celebrated the Feast of the Immaculate Conception by attending Holy Mass at Blessed Sacrament Church and praying a rosary for all CDA members. The National Officers led the Divine Mercy Chaplet live on Facebook from the foyer of the Office with our beautiful statue of Mary as the backdrop. You are most welcome to stop by the National Office if you are in New York.
