

Visiting the Parish Office

- If you feel sick or your temperature is elevated, or you are experiencing any symptoms of illness, please refrain from entering the office.
- Only one visitor may enter the office at a time.
- Use hand sanitizer before entering the work or worship space.
- Be sure to maintain a physical two-metre (six-foot) distance at all times; stand and sit only in the designated places.
- Avoid touching your face.
- Demonstrate physical care through smiles and waves...touchless gestures of care.
