

## **Responsible, Respectful, Good Citizen Pledge**

Because I am a responsible, respectful, faith-filled student I will not bully or allow it to take place without reporting it to an adult. Bullying has been explained to me; I understand what bullying is and the form it takes.

I, \_\_\_\_\_  
will not bully and will be a responsible reporter if I witness it. [Student Signature]

We/I, \_\_\_\_\_,  
have read this contract with our/my child. [Parent(s)/Guardian(s) Signature(s)]

**I have read and discussed both sides of this contract. I pledge to be a Responsible, Respectful, Faith-Filled student each day.**

Classroom teachers and principal will discuss the Responsible, Respectful, Good Citizen Pledge and ways to report bullying at an age appropriate level.

**I know that Jesus is present in everyone; therefore, all my actions will show my respect for each person.**

I pledge to be a faith-filled student in all I do. In order to become more Christ like I will make a conscious effort to see goodness and show it in my everyday decisions.

After this pledge is signed and returned to school, a copy will be sent home and should be reviewed periodically by student and parents.
