

Hello Friends of Saint Bernadette Parish and School,

Would you like to decide where your PA taxes go? Come learn how you can redirect YOUR (or your businesses) PA State Taxes, you're already paying anyway, to provide Scholarships for the students of St. Bernadette's. It's a no brainer!

Please join us for a reception/information session focused on supporting our parish school through the Educational Improvement Tax Credit (EITC) program on Thursday evening, March 26th, at St. Bernadette Rectory from 6PM-8PM .

This program is a way to support both our school and our parish community. Through the EITC, you can designate the Catholic School of your choice as the recipient of what is essentially a tax credit scholarship, which would help offset tuition for St. Bernadette families in need. In turn, you can receive up to a 90% credit on your state taxes, and claim a deduction on your federal taxes.

The specific program on the 26th will begin at 6:45PM and will include an update on all the great things happening at St. Bernadette. We will also hear from Judi Neeld, Director of Development for the Foundation for Catholic Education, who will walk us through the specifics of the EITC program and answer any questions you might have.

Please consider attending and feel free to bring along a friend or fellow parishioner who might be interested. RSVP to Kara Albanese at kalbanese@stbl.org by Sunday, March 22nd.

Sincerely,

Rev. Michael Saban, Parochial Administrator
Mrs. Joanne Montie, School Principal
