

Santa Cruz Catholic School Read-a-thon!!

Santa Cruz Catholic School is proudly holding our first Read-a-thon! This event will kick off on September 20th and culminate with an exciting day at school devoted to **READING** on October 1st! The goal of our Read-a-thon is to help our children improve their reading skills and to encourage a love for reading by trying different types of books and reading more frequently. Funds raised from this event will be used to enhance our school library--specifically it is our goal to purchase 100 new books and update the space with new furniture and paint. We want to create an inviting and exciting space that students are excited to visit!

Please invite your family, friends, and neighbors to sponsor your child's reading effort and in turn support our school!
