Paul's letter to the Romans has been at the center of reflection, conversion, and controversy from the very beginning. Presented by Dr. Andrew Swafford and Jeff Cavins, *Romans: The Gospel of Salvation* provides an authentically Catholic way to understand this challenging epistle. Above all, it will help you enter into a more meaningful relationship with Christ.

*Many Catholics fear Romans as a 'Protestant' Epistle of Paul, but in this lavishly illustrated and attractive study, Swafford and Cavins present Catholics with a study that is both profound yet accessible—based on the best contemporary scholarship and faithful to the Church's tradition. I've seldom seen Catholic bible study materials this good!*

—John Bergsma, professor of theology at Franciscan University of Steubenville
