Blessed Savior South Campus

T: 414-463-3878

Welcome Back

No School:

On 1/18/21 in observance of Martin Luther King Jr. Day.

Spirit Wear:

Spirit Wear is now purchased completely online. The deadline is 1/17 and here is the link:

<http://bit.ly/blessedsavior>

Enrollment for 2021-2022:

The new enrollment period for the upcoming school year begins on 2/1. We will accept virtual verification of your residence and income if applying through the choice program.

Hopefully next school year, we are all able to be in person!

Re-entry of Middle School Students:

It is my hope to have 6th graders return to in person learning by mid-February. 7th and 8th graders at this time are last to phase in as the state adds clarification in terms of capacity for schools. It is my hope that they will phase in by March. Please make sure you fill out the survey so that we can plan for re-entry.

Progress Reports:

Trimester Two progress reports will be sent home electronically or in folders (for in person students) on January 28th. This will be a preview of where your child is currently as Trimester Two will end in about 5 weeks' time.

Upcoming Events

January 29

No School

February 1

New Enrollment Period Begins for the 2021-2022 school year

MAPS TESTING:

MAPS TESTING WILL BEGIN FOR ALL IN PERSON AND VIRTUAL STUDENTS BETWEEN JANUARY AND FEBRUARY.

Conferences:

Conferences will be done via Signup Genius as we did for Fall Conferences. Teachers will prioritize conferences to be scheduled for students who did not attend a Fall conferences and/or are requested on behalf of the teacher or the parent. A link will be sent today via Class Dojo.

Attendance:

All students regardless of if they are in person or virtually learning, are to attend regularly. If your child is going to be absent, please notify the office with the reason they will be absent.

Parents, please make sure that you are abiding by the pathway you have chosen. We cannot have students switching from one pathway to the other, unless you have called the office to inform us that you would like to change. We need to ensure that we have an available seat.

Virtual Students:

Virtual student **MUST have their cameras on during the ENTIRE duration of online learning**. Students who do not follow this expectation will be removed from class, and teachers will let me know who should follow up with. Please ensure that your child is in a quiet environment to engage in learning.

Breakfast/Lunch to Go Boxes:

If you are having issues receiving your boxes, please contact the office. When you contact the office about a change that you would like to inquire about please allow for 1-2 weeks as the way we submit these requests take time to update in the delivery system.

Student Illnesses: Any in person students who are exhibiting the following symptoms should stay home until the symptoms are clear. Please also call the office to let us know that your child will be absent. In addition, if your child has to be home for any amount of time virtual learning will be expected to resume while your child is home. Symptoms include:

- Fever (must stay home 72 hours)
- Nasal congestion or runny nose (must stay home until symptoms disappears)
- Cough (must stay home until symptoms disappears or once a doctor's note is received)
- Sore throat (must stay home until symptoms disappears or once a doctor's note is received)
- Shortness of breath (monitor symptoms-connect with your doctor if needed)
- Fatigue (monitor symptoms-connect with your doctor if needed)
- Headache (monitor symptoms-connect with your doctor if needed)
- Muscle aches (monitor symptoms-connect with your doctor if needed)
- Nausea or vomiting (must stay home 24 hours, or until symptoms disappear)
- Diarrhea (must stay home 24 hours, or until symptoms disappear)
- Poor feeding or poor appetite (monitor symptoms-connect with your doctor if needed)

Thanks, Mrs. Pope
