February 14, 2020

Dear Parents and Guardians,

We are quite excited to begin planning for the 2020 – 2021 school year! This year, the staff and students have created new memories and had many wonderful academic opportunities. We are incredibly blessed to have such dedicated and qualified staff to help our children grow.

As we look ahead to a new academic year, we want to continue to ensure our students are receiving the best experience possible here at Sacred Heart. With this comes the cost of text books, materials, technology, and skilled staff. The Sacred Heart Board of Education recently approved the tuition for the 2020-2021 school year. The tuition for next year will be \$1,900 for the first child, \$1,550 for the second child, \$1,300 for the third child, and \$1,100 for the fourth child. Our tuition is comparable in costs to other schools of the same size. We also want to be conscious of supporting our parents and guardians as much as possible, therefore the \$100 textbook fee that has been required past years is now included in the aforementioned tuition costs. This will not be charged as a separate fee. This will assist with tax deductions to receive tax credit for tuition payments, and will also assist with receiving STO tuition assistance for those who qualify.

Utilizing our SCRIP program is a wonderful way to contribute towards your child's tuition by shopping at locations regularly visited (gas, groceries, restaurants, etc.). The Sacred Heart Parish and Sacred Heart School Booster clubs also work hard to offer tremendous financial support to our school.

Lastly, we encourage all families to apply for STO tuition assistance especially since families up to 400% of poverty rate are eligible for a STO award. Local tuition assistance is also available for those who qualify and have completed the STO application. Finances should never be the reason to prevent sending your child to Sacred Heart. Please contact the school office if you have any concerns.

We continue to pray in thanksgiving for the unending support of our families and benefactors. We also pray that the remainder of our school year is fulfilling spiritually, academically, and mindfully.

God bless,

Laura Herbers, Principal
