Contributions with your name will be credited to you even without envelopes. Envelopes may take up to two months to begin arriving, and will be in the name of the head of household or couple unless otherwise specified.

For Faith Direct please visit [www.faithdirect.net](http://www.faithdirect.net) and use our church code **VA127**.

Why use envelopes or Faith Direct? Envelopes and Faith Direct are instruments to help you in your stewardship of accountability. They also allow our bookkeepers to be more accurate in their accounting ledgers. The system, of course, is voluntary. If you do not use the envelopes or Faith Direct, unless you write a personal check, we will not be able to certify your charitable contributions for your income tax statements.
