Pastoral Council Nomination Information: 2020

The Our Lady of Hope Pastoral Council is an organization comprised of 12 elected parishioners, along with our pastor, his associate priests, and key members of the parish staff.

We meet on the second Monday of each month, September through June, to address parishioner questions and concerns. We seek ways to innovate the spiritual, communal, and social aspects of our parish as council members speak with fellow parishioners in the neighborhood, before or after mass, or at one of the many activities and events we offer.

Members will bring feedback back to the council, for further discussion, or share ideas that are initiated within the council with the parish community to gain their insight. Our suggestions are heard as we are the consultative body of the Pastor.

This September, we will be replacing five members on the council. This important leadership position will require a three year term commitment.
