## The Corona Self Help Center

***"I know that my  
Redeemer Lives"  
-Job 19:25***

Dear Parishioners,

I received a thank-you letter for your support. You may remember when we had a group that spoke about addictions at the end of Mass. We had received a letter from the Bishop giving his approval. The group sold t-shirts to fund their program. There are many forms of temptations that create a type of dependence which is very hard to break free from. If you encounter anyone who is in need of assistance, keep this name as a suggestion. There is no charge for the program. Christ wants to set us free. I will invite them back again when they would like to return.

Thank you for your support.  
Fr. Anthony

Dear Fr. Anthony

We would like to thank you for your support and gratitude the past weekend of September 7, 2019 and for giving us the opportunity to provide our services of help and prevention from Drug & Alcohol Addiction to those that might be in need. It was a privilege to serve your parish and provide information and answers to your congregation.

Today there are 24 of our members who are motivated to push through their struggles in recovery as well as anything else that comes their way and we are here to give life back. We have our life experiences that can be an inspiration for others to make a decision to change their way of acting, being and thinking which will directly change their way of living. We are becoming closer to our transition to the west coast of Florida and look forward to reaching out to you again.

We need the help from the community in order to help save the lives that struggle from the chains of addiction and that, you have done for us. If there is anything that we can help you or the parish with, please let us know.

Warmest regards,  
Jared Kaplan  
The Corona Self Help Center, Inc.
