

Merry Christmas & Happy New Year!

What a year! We feel so blessed to have been able to continue our pro-life work in creative and relevant ways during this unique time in history. There are so many opportunities to live out pro-life values at a time when our culture is confronted by the fragility of life. Thank you so much for joining with us as participants, donors, encouragers, volunteers, and promoters of the value of life.

Enjoy highlights of the year below and please consider a donation to Halton Alive to keep this work going in the coming year. Have a wonderful time as you celebrate the birth of Christ this Christmas!

♥ *Elea Hoffman & Halton Alive Team* 

Life Talks Conference

Covid lockdown started 2 weeks before our annual pro-life educational conference so we quickly pivoted to an online format.

Webinar

With the success of Life Talks we followed up with an additional webinar featuring Lia Mills to dig deeper into the topics.

Walk for Life

Participants all over Halton put their Love Chooses Life t-shirts on and did the walk to help raise \$13,000 and spread the message!

Educate. Equip. Connect.

At Halton Alive we create opportunities for our community to live out their pro-life values through education that leads to better discussions, resources that help teach kids and youth, campaigns that lead to tangible action, and a community of pro-life people who are ready to serve.

Inspire Hope

haltonalive.ca/inspirehope

We quickly realized the impact Covid isolation was having on seniors. Our deep concern for those facing isolation, loneliness, confusion, and fear led to the launch of the Inspire Hope campaign. We coordinated and empowered volunteers to bring hope and encouragement to residents of long-term facilities through sidewalk chalking, letters, and phone calls.

Christmas Campaign

haltonalive.ca/seniors

Our Christmas campaign took a new, special direction this year by focusing on the elderly in our community. We coordinated the delivery of encouraging Christmas cards, with a candy cane attached, to 5888 residents in 51 LTC and retirement homes, also impacting 3940 staff. What an incredible way to live out pro-life values, bring hope and encouragement to the elderly, while demonstrating genuine love and care of the pro-life movement.

"Life is a Gift" Ornaments

Give the gift of a donation to Halton Alive on someone's behalf and we'll send them one of these custom, handcrafted ornaments with a thank you and income tax receipt.
