

## Protocols for Mass within the Main Church

Updated 8/28/2021

1. Access into the Church is through the front entrance **ONLY**.
2. Thermal camera will be deployed. Temperatures of 99.9F or 37.7C will be advised not to enter the Church.
3. The faithful are required to wear a mask upon entering the Church and must be kept in place for the duration of the Celebration except when receiving Holy Communion.
4. For your convenience, hand sanitizers are available throughout the Church.
5. The faithful are advised to find their seats, starting at the front of the Church, while observing proper social distancing.
  - When seated, all must remain in same seats throughout the Mass.
6. There will be no offertory procession.
7. Distribution of Holy Communion will take place at the usual time. Observe the proper social distance of 6 feet if you are not in the same household.
8. Communion can be received either by tongue or by hand. Kindly remove gloves if you are wearing one.
9. Exit **ONLY** through the east and west doors.
10. Bathroom facilities are not available.

**Thank you for your understanding and cooperation.**
