Rural Life Spiritual Resources

Our Catholic-Christian faith shapes and unifies all of life: our body

(physical), mind (intellectual), heart (emotional), and soul (spiritual). Just as Jesus (God) tells us to love Him totally, so we love our neighbor (totally) for they (and we) are created in the Image of God (Imago Dei). Our relationship with God and others overflows to our relation to God's creation. Catholic Rural Life provides a few simple resources to strengthen our life of faith...

Since its inception nearly 100 years ago, strengthening the faith in rural America has been a primary mission of Catholic Rural Life. From equipping the next generation of rural priests, to forming a knowledgeable and faithful lay leadership with our Life in Christ Program, Catholic Rural Life is uniquely focused on the needs and strengths of people living in rural America. Realizing that our Catholic faith has a distinct flavor in rural areas, CRL has created a number of spiritual resources that honor these traditions.

6 Ways to Pray (find the resources mentioned on the website - www.catholicrurallife.org/resources/spiritual/)

1. Catholic Rural Ethic - We believe that farmers and consumers need to be in solidarity. We need to once again know and understand who we are as a people of God. We need to learn again how to share and sustain the common goods of Creation. And what is not a part of creation? What does not fall into the web of life? We believe that all things are a part of creation, all people and all living things are part of one community - the community of Christ, the new creation we seek in our modern lives.
2. Isidore and Maria, Patron Saints of Catholic Rural Life - The virtues found in the lives of Isidore and Maria - commitment to family, love for the land, service to the poor and a deep spirituality - are qualities that still can be found in rural America. Pray the Litany in honor of St. Isidore.
3. Novena to St. Isidore - This Novena to honor St. Isidore is intended for parish and home use. In the church, the leader should be the priest or someone designated by him. In the home, father, mother or child can take the lead.
4. Prayers for Rural Families - We believe that farming is a noble profession. The farm home is a most suitable place for a Christian family. The good earth is the greatest material gift of God to man. We believe that in this vocation, country people work closely with God in producing the essential elements of life for all on earth. We believe and hold fast to the spiritual values of the farming vocation and resist the materialism of this age from blinding us to them. Let us pray that through God's grace we may have wisdom and strength to grow constantly in the virtues necessary for holy rural living.
5. Calendar of Blessings - The Church sets aside feast days and liturgical days throughout the year to help us remember and celebrate our spiritual lives. At Catholic Rural Life, we take particular interest in the cycles of nature and seek ways to unite the change of seasons with the constant Word of the liturgy. To that end, we have put together a series of blessings for each month of the year that

highlights an aspect of rural life. {Continued on bottom of back side.}

Question of the Week

In what ways am I a model for other believers, as the Thessalonians were? What can I do to model the greatest commandments to others?

Verse of the Week: "Hear, O Israel: The Lord our God is one Lord; and you shall love the Lord your God with all your heart, and with all your soul, and with all your might." (Deuteronomy 6:4-5) - See Jesus' word below...

Assignment: Join us before Mass next weekend to Pray the Litany of the Saints or pray it on your own. Also begin the month with a Spiritual & Religious commitment. Spend five minutes to read Scripture and pray each morning. Read a book on a saint that interests you. Join the online video & discussions with Fr. Gunwall, etc.

Box of Joy returns - Cross Catholic Outreach sent us the materials to collect Boxes of Joy for children in poor countries. Our parishes sent 24 shoe boxes the last two years and that is our goal again. Stop in the back of each church to get the information. Rubber band the box; do not wrap or seal it. We will also continue with the Giving Tree in December for local youth.

Finance-Pastoral Council - If you have something for the good of the parish, please send it to Fr. Gunwall or a council member for our next meeting. Parishioners are invited to attend the meetings. If you are interested in helping with parish needs and planning or you want to recommend someone, talk to Fr. Gunwall this week. It is a three-year term beginning January. Our next meetings are Sat., Nov. 7, at 6:30 pm at St Anthony and Tue, Nov. 10, at 5:45 pm at Sts Peter & Paul.

Religious Education & Faith Formation - This Wednesday, families should work in Chapter 6 in the Alive in Christ books. Parents should visit our parish website to watch Fr. Gunwall's presentation. You can also watch the "Great Adventure Bible Timeline for Kids" play there. The sound is fairly good.

Service project: Thank you to everyone who helped paint & patch up the sacristy at Sts Peter & Paul. We will wait for good weather to beautify our cemeteries.

Set your clock back Oct. 31 before you sleep or simply come to Mass early for Adoration and Rosary. ;)

Sacramental Preparation - Please pray for our youth and families as we begin to prepare for the sacraments of Reconciliation, Confirmation, and Eucharist. Fr Gunwall will begin to meet with parents and families in November.

Stewardship Moment: "You shall love the Lord, your God, with all your heart, with all your soul and with all your mind." (Matthew 22:37)

Do you put other "gods" before God? Is your love of money, power, status, comfort or some personal possession greater than your love for God? Do you really recognize that everything you have and that everything you are is a gift from God? The good news - it's not too late to put God first in all things in your life.

Area News/Events

Catholic Charities of North Dakota annual appeal - Go to their website www.catholiccharitiesnd.org if you missed the video at Mass this weekend, want to donate online, or want to find out more about the ways in which they serve families, the poor, and individuals with special needs in our local communities.

REDEEMED Trusted Sisters Women's Conference: The diocesan women's conference is rescheduled for Feb 19-20, 2021 at the Delta Hotel in Fargo. Featured speakers include Dr. Helen Alvaré, Dr. James Link, Marcie Stockman (foundress of Well Read Mom), and Andrea Thomas of the Vigil Project. The event also includes performances by the Vigil Project. This conference will be available in person and livestream. More info is available at fargodiocese.org/redeemedwomen. Our parish will pay half the fee. Husbands, encourage your wives to take advantage of this powerful event. Contact Fr. Gunwall with questions.

6. Seasonal Prayers - Most of these seasonal prayers were written specifically for the Rural Life Prayer book. All these prayers can be used for common family prayer in the home. Many are easily adapted for use in church, after Holy Mass, in connection with Benediction of the Blessed Sacrament, on feast days, or various other times. The prayers can also lead to personal meditation. *** I encourage you to use these resources to help your personal and family life. - Fr. Gunwall

I PLEDGE:

Civility - To recognize the human dignity of those with whom I disagree, treat others with respect, and rise above attacks when directed at me.

Clarity - To root my political viewpoints in the Gospel and a well formed conscience, which involves prayer, conversation, study and listening. I will stand up for my convictions and speak out when I witness language that disparages others' dignity, while also listening and seeking to understand others' experiences.

Compassion - To encounter others with a tone and posture which affirms that I honor the dignity of others and invites others to do the same. I will presume others' best intentions and listen to their stories with empathy. I will strive to understand before seeking to be understood.
