Financial Aid

Our financial aid is awarded to students each year based on financial need. CKS uses a third party, FACTS, to evaluate eligibility to administer financial aid objectively and with consistency. FACTS compares many factors when evaluating financial need including income, family size, assets/ liabilities, and living expenses.

All families who would like to be considered for tuition assistance must complete an application through FACTS to be considered.

The application will be available on our website www.cksvt.org and must be submitted with the \$30 FACTS application fee by the April 15, 2019, deadline. If you received financial assistance in 2018-2019 and would like financial assistance again, you must re-apply for financial assistance in the 2019-2020 academic year.

Applicants will be notified in May 2019 of the award decision. While awards range from \$500 and up, our average award is \$1,550. We subsidize all student's tuition with our annual appeal and fundraisers, however, our policies do not permit full tuition awards.
