

We are celebrating National Diversity Day at Christ the King School!

Friday, October 1st, 2021

.....

Let's celebrate our school's diversity!

National Diversity Day is a day to reflect on and learn about different cultures and traditions. CKS is celebrating National Diversity Day on Friday, October 1st.

We would love to learn about your family's culture, ethnicity, country of origin, traditions, world experiences, or anything else that makes you special!

Every class in the school will have a trifold display setup in their classroom and we encourage each child to bring in something that is either a personal keepsake relating to culture or diversity, or something that has meaning to them related to culture or diversity. (pictures, postcards, recipes, flags, art, maps, or anything else you can think of).

Students will be asked if they would like to share the meaning of their display item with their class. The trifolds will eventually be displayed in the lobby for other families to enjoy, at a later date. The keepsake items will be returned to families at the end of the school year. Please indicate on the item if it needs to be returned.

Please have your child bring in their keepsake item next week and prepare them to say a few words about it, should they choose to.
