4th - 6th Grade 2:30 pm - 3:30 pm

7th - 8th Grade 3:30 pm - 4:30 pm

**Location:**

Indian Creek Tennis Courts 5 - 8

10308 Marty, Overland Park, KS 66212

**Cost:** \$30.00 per participant - prizes included

If you have a racket bring one, otherwise, we will provide rackets. Bring a water bottle as water fountains might not be available.

If you want to purchase a racket, you can find them in various locations including Walmart for less than \$15.00. As a guide:

5-6 year olds 21-inch length racket

7-8 years old 23-inch length racket

9-10 years old 25-inch length racket

11+ years old 26-inch length racket

Kids who are tall for their age may want to go up a size, and kids who are shorter will need a shorter racket. A good guide is to have them place the racket against the outside of their leg. They should be able to touch the racket with just their fingertips.
