

Dear Parents and Guardians,

We are very excited to reunite with your children as we start another school year together. We are committed to making this another successful year where students and teachers remain together for in person learning.

As COVID-19 cases continue to increase in Johnson County, we are asking that you keep your child home if they show any sign of illness such as:

- Fever/Chills
- Shortness of breath or difficulty breathing
- Cough
- Loss of taste or smell
- Congestion or runny nose
- Nausea/vomiting or diarrhea
- Sore throat
- Headache
- Muscle or body aches
- Fatigue

If any member of your household tests positive for COVID, please keep your student home from school. Notify the school nurse and guidance will be given regarding a safe return to school date. Thanks in advance for helping us keep our students safe.

Donna Lowther
St. Joseph School Nurse
