

Health & Safety Protocols For In-Person Classroom Instruction:

- **Masks** - Catechists and students will be required to wear their masks the entire time they are in the building. Students hands will be sanitized when entering the classroom and then again when entering the church. We will give students a 10-minute social distanced mask break in between class and Mass. *(Mass applies to High School Students only)*
- **Social Distancing** – Three classrooms will be set up. All partitions will be down in the Parish Family Center and the Church Hall providing us with three unobstructed 30 x 60 classrooms. Each class will have a maximum of 12 students.
- **Cohorting** - Each classroom will be set up so that students will be six feet apart from each other and their seats will be assigned. (changes cannot be made to seating without informing the staff)
- **Drop off and pick up for grades 6-8** staggered times will enable parents to create a pick-up line. Students will wait in parish center lobby, social distanced, until their ride arrives at the walkway to the parish center prompting dismissal. **High School** students may leave from the church with parent who attended Mass. Students without a family member in attendance will wait in the parish family center they will be dismissed as their ride pulls up to the parish center walkway.
- **Supplies** - Each student and the Catechist will be provided with a draw string backpack, that will include the supplies needed for class, such as student handbook, bible, pens, paper. No supplies will be shared.
- **Food** – no snacks will be provided. Bottled water will be on hand.
- **Sanitization** – all rooms will be cleaned after each group. Desks, chairs, doorknobs will be sanitized.
