OFFICE OF THE BISHOP

### DECREE

On March 11, 2020, I granted a dispensation from the obligation to attend Mass on Sunday for those members of the Faithful who are sixty years of age and older as well as those suffering vulnerable health conditions.

Due to new instructions provided by State and local public health officials, I now extend this dispensation to include all members of the Catholic Faithful in the Diocese of Sacramento from the obligation to attend Mass on Sunday and the Holy Days of obligation. This dispensation will continue until further notice.

In granting this dispensation I remind the Catholic Faithful to properly observe the third commandment, Keep Holy the Lord's Day. The Catechism of the Catholic Church teaches us: "On Sundays and other holy days of obligation, the faithful are to refrain from engaging in work or activities that hinder the worship owed to God, the joy proper to the Lord's Day, the performance of the works of mercy, and the appropriate relaxation of mind and body. Family needs or important social service can legitimately excuse from the obligation of Sunday rest." (CCC, 2185)

All the Faithful should seek with greater intention to consecrate the day with prayer and attention given to building up the family.

I encourage the faithful to offer a rosary on Sundays for the intention of all those afflicted by the virus, COVID-19 as well as for the sanctification of the Faithful and Clergy during this Lenten Season. I recommend a family recitation of the rosary as a healthy and holy practice during Lent as well as throughout the year.

I instruct the pastors of parishes in the Diocese to educate the faithful about this dispensation as well as other public health precautions to be observed at this time. Pastors are to continue offering Sunday Mass for those members of faithful who desire and are able to attend. If possible, the pastors should maintain the regular Sunday schedule of Masses.

Please pray for those afflicted with COVID-19, their families, and all caregivers. May intercession of our Blessed Mother Mary bring us the healing mercy and grace of her Son, Jesus.

Given at the Diocesan Pastoral Center in Sacramento on this thirteenth day of March, in the year of Our Lord, two thousand and twenty.

## ENROLLMENT NOW OPEN

We are moving forward with our plan to operate Mercy High School next year as a 9-12 school on our current campus, and are rolling out strategic planning efforts for a bright future. The TK-12 option has been taken off the table next year due to community feedback. The outpouring of support has been generous and significant. We are deeply moved and grateful for this support of our Catholic high school.

Currently, one hundred and twenty nine thousand of the two hundred thousand needed for operation has been raised. We also continue working toward the target of 70 registered students, preferably by April 15th, needed for the proposed school model. Ultimately, this is a balance of dollars/student - more students means fewer funds are needed, and fewer students means more funds are needed.

Please do not hesitate to reach out to us: (530) 527-8313. Donations may be sent directly to Mercy High School to support the 2020-21 school year. We encourage families to register at @ <http://bit.ly/MercyIntent>
