**Information on Our Guardianship Services**

For more than 30 years, Catholic Charities North Dakota's Guardianship Program for adults with intellectual disabilities has provided services anchored in the principles of integrity, advocacy, and compassion. Through our work in collaboration with other agencies and organizations, we are able to respond to the needs of our most vulnerable citizens in our community, which results in a stronger community overall!

Our person-centered approach to decision making and support includes involving our clients in the decision making process whenever possible and ensuring they are living as independently as possible while meeting their health and safety needs by preventing abuse, neglect, and exploitation. We keep the individual's best interest in mind when making residential, medical, and financial decisions, and visit our clients regularly so we know their needs and wishes!

*O God, by whom we are redeemed and receive adoption, look graciously upon your beloved sons and daughters, that those who believe in Christ may receive true freedom and an everlasting inheritance.*

*Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit,...Amen.*

### *What does "Enthronement" Mean?*

The ENTHRONEMENT of the Sacred Heart means (in the words of Father Mateo) *the Official and Social recognition of the loving Kingship of the Heart of Jesus in the Christian family.* The family shows this recognition by giving the image of the Sacred Heart a place of honor in the home and dedicating itself to Him by an act of consecration. In this way the family is brought under the benign influence of the Divine Heart, which asserts itself in all the events of family life.

If your home has not been enthroned, it can be done at any time. If you have any questions, do not hesitate to contact one of the promoters:
